1. The "Liquor Licence By-law, 1889," is hereby amended by adding after section 25 thereof the following:—

(3.) It shall be unlawful for any person to sell, supply or dispense liquors or to act as bartender in any way in or upon any licensed premises without having first obtained a licence pursuant to the provisions of this section, and any person selling, supplying or dispensing liquors as aforesaid in or upon any licensed premises without having obtained the licence as required by this section shall be guilty of a violation of this by-law, and be liable to penalties of the same:

## COLUMBIA STREET LOCAL IMPROVEMENT (SIDEWALK) ASSESSMENT BY-LAW, 1909.

A By-law to assess, levy and collect part of the cost of the construction as work of Local Improvement of cement sidewalks on Columbia Street, between McNeely Street and Fourth Street, with necessary retaining walls, and to raise upon debenture loan the necessary moneys to pay a part of the cost thereof.

WHEREAS the Municipal Council of the Corporation of the City of New Westminster did, by resolution duly passed on the 17th day of June, 1909, determine and specify that it was desirable to carry out the following works, that is to say:—

To construct cement sidewalks on both sides of Columbia Street, between McNeely Street and Fourth Street with necessary retaining walls, and

that the said works should be carried out in accordance with the provisions of the "Local Improvement General By-law, 1909":

And whereas the City Engineer, upon receipt of a copy of the said resolution did, under the provisions of the said by-law, ascertain and determine the said works or improvements, and did make and certify as correct a plan thereof, and did make an estimate of the expense or cost thereof, and did ascertain, determine, and show on said plan what land or real or assessable property will be immediately benefited by the proposed improvement:

And whereas the City Engineer and City Assessor did, after the said plan had been made and certified co-jointly, ascertain and determine the proportion in which the assessment is to be made on the various portions of land or real or assessable property so benefited, and did make a joint report of all such matters to the said Council, which report was duly approved of and adopted by the said Council and entered in accordance with the provisions of the said By-law:

And whereas thereafter the City Clerk did cause a notice to be inserted in the "Daily Columbian" and "Daily News," being newspapers published in the said city, to the effect that the said report, or a necessary part thereof, was open for inspection at the office of the Assessor, and signifying the intention of the Council to make the assessment therein set forth:

And whereas within a period of fifteen days from the date of the first publication of such notice, no petition being presented against any of the said improvements, the Assessment Roll showing the property and the amount assessed for the local improvement, was duly prepared and the Clerk did cause a notice to be inserted in the said "Daily Columbian" and "Daily News," being newspapers published in the said city, to the effect that the said Assessment Roll was open for inspection at the office of the Assessor:

And, whereas no notices of appeal were received against the said assessment:

And whereas the cost of the said works or improvements is shown by the said report to be \$33,300.00, and the amount to be assessed against the owners of the real property benefited is shown to be \$22,200.00, and the amount which the Council propose to contribute to the cost of the said works is \$11,100.00:

And whereas the Council, by resolution, affirmed that the said work of local improvement benefits the Municipality at large, and that it would be inequitable to raise the whole cost of such improvement or work by local special assessment, and propose to contribute the sum of \$11,100.00:

And whereas the Council has decided to distribute the payment of the cost of said works proposed to be assessed hereunder over a period of thirty (30) years, and to borrow the money necessary to defray such cost upon the special rates levied hereunder upon the lands and improvements benefited, and upon the guarantee of the Corporation at large:

And whereas the total frontage upon the said work of local improvement of the real property immediately benefited is 3,451 feet, and the proportion of the cost chargeable to the property benefited is as aforesaid, \$22,200.00:

And whereas it will require the sum of \$1,110.00 to be raised annually for the period of thirty years to pay the interest of the said debt, and the sum of \$466.62 to be raised annually during the said period for the payment of the debt to be created by this By-law, such last-mentioned sum being sufficient with the estimated interest on the investment thereof to discharge the said debt, when the same shall become payable, making in all the sum of \$1,576.62 to be raised annually as aforesaid:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned in the said report, and which is set forth and described in the schedule following:—

During thirty years from the first day of January, 1910, the currency of the debentures to be issued under the authority of this By-law the sum of \$1,110.00 shall be raised annually for the payment of interest of the said debentures, and also the sum of \$466.62 shall be raised annually for the payment of the debt, making in all the sum of \$1,576.62 to be raised annually as aforesaid:

3. A special rate of 45.65 cents per foot frontage is hereby imposed on the real property hereinbefore described over and above all other rates and taxes, which special rate shall be sufficient to produce in each year the said sum of \$1,576.62. The said special rate shall be annually inserted in the Collector's Roll for the next succeeding thirty years, and shall be payable at the time or times and at the place and in the manner in which ordinary city taxes are payable; provided, however, that no rebate be allowed on the amount levied hereunder as aforesaid:

4. The sum of \$22,200.00 shall be raised by loan by the Corporation on the security of the special rate hereby imposed and the guarantee of the Corporation at large, and the debentures amounting to the sum of \$2,200.00 shall be issued by the Corporation therefor:

5. The said debentures shall be made payable at the expiration of thirty years from the date of issue of the same, and shall bear interest at a rate not exceeding five (5) per centum per annum:

6. 7. If at any time any of the owners of the said real property hereinbefore described, or any part thereof, desire to commute the assessment hereby imposed by the payment of his, her or their proportionate share or shares of the cost thereof as the principal sum in lien thereof he, she or they may so commute by payment of such sum as may be necessary to realise at the end of the currency of such debentures a sum equivalent to the balance then unpaid of the said special rate thereon:

8. All moneys arising out of the said annual special rate, and all moneys received in commutation thereof, under the preceding section, shall be deposited in the savings bank or some chartered bank:

9. Every debenture to be issued hereunder shall contain a provision in the following words: "This debenture or any interest therein shall not, after a certificate of ownership has been endorsed therein by the Treasurer of the Corporation, be transferable except by entry by the Treasurer or his deputy in the Debenture Registry Book of the said Corporation":

10. The amount of the special rate levied hereunder shall be added to the taxes for the financial year in which such rate is assessed and levied, and such special rate may be collected in every respect as ordinary land or real property taxes of the City of New Westminster, and may be enforced and recovered in the same way, whether by action brought in any Court of competent jurisdiction, by sale of the land or real property upon which the same attaches or otherwise; provided, however, that no rebate shall be allowed on the amount hereunder:

#### COLUMBIA STREET LOCAL IMPROVEMENT (SEWER) ASSESSMENT BY-LAW, 1909.

A By-law to assess, levy and collect part of the cost of the construction as a work of Local Improvement of a sewer, to be known as the "Columbia Street Sewer," and to raise upon debenture loan the necessary moneys to pay a part of the cost thereof.

**W**HEREAS the Municipal Council of the Corporation of the City of New Westminster did, by resolution duly passed on the 17th day of June, 1909, determine and specify that it was desirable to carry out the following works, that is to say:—

To construct a sewer, to be known as the "Columbia Street Sewer," on Columbia Street, between McNeely Street and Fourth Street, and that the said works should be carried out in accordance with the provisions of the "Local Improvement General By-law, 1909":

And whereas the City Engineer, upon receipt of a copy of the said resolution did, under the provisions of the said by-law, ascertain and determine the said works or improvements, and did make and certify as correct a plan thereof, and did make an estimate of the expense or cost thereof, and did ascertain, determine, and show on said plan what land or real or assessable property will be immediately benefited by the proposed improvement:

And whereas the City Engineer and City Assessor did, after the said plan had been made and certified co-jointly, ascertain and determine the proportion in which the assessment is to be made on the various portions of land or real or assessable property so benefited, and did make a joint report of all such matters to the said Council, which report was duly approved of and adopted by the said Council and entered in accordance with the provisions of the said By-law:

And whereas thereafter the City Clerk did cause a notice to be inserted in the "Daily Columbian" and "Daily News," being newspapers published in the said city, to the effect that the said report, or a necessary part thereof, was open for inspection at the office of the Assessor, and signifying the intention of the Council to make the assessment therein set forth:

And whereas within a period of fifteen days from the date of the first publication of such notice, no petition being presented against any of the said improvements, the Assessment Roll showing the property and the amount assessed for the local improvement, was duly prepared and the Clerk did cause a notice to be inserted in the said "Daily Columbian" and "Daily News," being newspapers published in the said city, to the effect that the said Assessment Roll was open for inspection at the office of the Assessor:

And, whereas no notices of appeal were received against the said assessment:

And whereas the cost of the said works or improvement is shown by the said report to be \$10,000.00, and the amount to be assessed against the owners of the real property benefited is shown to be \$7,000.00, and the amount which the Council propose to contribute to the cost of the works is \$3,000.00:

And whereas the Council, by resolution, affirmed that the said work of local improvement benefits the Municipality at large, and that it would be inequitable to raise the whole cost of such improvement or work by local special assessment, and propose to contribute the said amount of \$3,000.00:

And whereas the Council has decided to distribute the payment of the cost of said works proposed to be assessed hereunder over a period of thirty (30) years, and to borrow the moneys necessary to defray such cost upon the special rates levied hereunder upon the lands and improvements benefited, and upon the guarantee of the Corporation at large:

And whereas the total frontage upon the said work of local improvement of the real property and portions of real property immediately benefited is 1,518 feet, and the proportion of the cost chargeable to the property benefited is, as aforesaid, \$7,000.00:

And whereas it will require the sum of \$350.00 to be raised annually for the period of thirty (30) years to pay the interest of the said debentures, and the sum of \$147.13 to be raised annually during the said period for the payment of the debt to be created by this By-law, such last-mentioned sum being sufficient, with the estimated interest on the investment thereof, to discharge the said debt when the same becomes payable, making in all the sum of \$497.13 to be raised annually as aforesaid:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned in the said report, and which is set forth and described in the schedule following:—
